

SURFACE FINISHING TRAINING

ActOn[®]
FINISHING

At ActOn we offer surface finishing training for you and your team, to help you achieve a consistent and high quality finishing result everytime.

Why you should consider our training services?

- We have more than 50 years of experience in surface finishing and we are happy to share with you our knowhow.
- You will learn about the various finishes you can achieve on your components.
- We will offer advice on the most optimum method of finishing for your parts.
- You will learn how to improve your process parameters.
- Custom training based on your finishing requirements.
- Training can be done at your location or ActOn Finishing.
- Training is designed for management, operations & production team.

What our customers say?

“ActOn Finishing’s openness and willingness to conduct trials to establish the most suitable technology and process, was exactly what Ricoh required from a technical partner.”

Richard Minifie’s, Senior AM Engineer,
at Ricoh UK Product Limited
